Shanna E. Vinig

As a spirited, diligent and loyal person, I have been devoting my life to graphic design and creative direction for over t years. I invest in each project with strategic thinking, meticulous organization and as a team player you can count on for anything, as many clients can attest. In the end, It is my ultimate goal to utilize my graphic design and art as a 'visual voice' for those who may not be heard otherwise, perhaps awakening something in people that makes them care about the plight of others.
